

The Ramona Municipal Water District will be conducting a capital improvement project on Barnett Rd between Jakirk Ln. and Barger Pl. RMWD crews will be replacing a three hundred foot section of sixty year old 6" water main.

The project is scheduled to begin on Monday July 17th 2017 with installation of 6" isolation valve. Then proceed with the replacement of the 6" water main to begin the following week, Monday July 24th 2017. The project is estimated to be completed by August 25th 2017.

Traffic may be delayed in the area and there will be a few, short interruptions in the water service during construction. RMWD will make every effort to contact impacted customers in advance prior to interruptions.

Thank you in advance for your patience and understanding. RMWD is committed to providing the community of Ramona with reliable, safe water.

For any questions please contact the office at (760)789-1330
