EFFECTIVE DATE OF RENTAL/LEASE AGREEMENT: \_\_\_\_\_

As owner of this property, receiving water, and services from the Ramona Municipal Water District, I hereby authorize R.M.W.D. to deliver to the tenant/leasee, named above, billing for service from the effective date. This agreement will remain in effect until this tenant/leasee vacates the property at which time the District is to be notified. This agreement may be terminated, in writing, by either myself or R.M.W.D. If, at any time, the account is overdue, R.M.W.D. retains the right, after sufficient notice, to lock the water meter. The account will be charged any applicable late fees, deposit, and unlock fees, in accordance with district policy. If the charges remain unpaid R.M.W.D. retains the right to remove the meter and file a lien against the customer\*. To have a meter reinstalled would require payment of all fees applicable to install a new service.

The undersigned agrees to assume responsibility for fire/paramedic service fees and sewer service fees, if applicable, billed by R.M.W.D.

\*California Water Code sections 72100 & 72102, allows R.M.W.D. to impose a lien when payment for water service is delinquent. The lien secures unpaid charges. You will be responsible for the unpaid charge, interest, and any associated fees, before the lien will be released. Consult your attorney for more information.

**I UNDERSTAND THAT I WILL BE LIABLE FOR ANY UNPAID BILLING WITH THIS AGREEMENT PURSUANT TO CALIFORNIA WATER CODE SECTIONS 72100 & 72102.**
